*Join Us For Apples and Honey
Following Rosh Hashanah Evening Services*

*The Shofar will be sounded during
Rosh Hashanah Morning-Musaf Services*

*The names of deceased loved ones
will be read during Yizkor services
on Yom Kippur morning.*

*Please write the names of your loved ones
on paper prior to services and bring them
with you to place in the reader's basket.*

*If you have done this in the past -
we will still have the names of your
loved ones and it will not be necessary
to write them again.*

*There will be a children's Rosh Hashanah
Service on Thurs. morning, September 9th,
and a Children's Yom Kippur Service
on Saturday morning, September 18th -
both at approximately 11:15 AM.*

*During the year, the tallit is worn almost
exclusively during the daytime hours. There is
one exception - the evening of Yom Kippur.
So please remember to bring your own tallit to
wear during Kol Nidre services. We will have
a limited number available.*
